This Approval is granted subject to observance of the following conditions:-

- The design and construction of the equipment shall be strictly in accordance with description, condition and drawings as mentioned in the DEKRA Testing and Certification GmbH / TUV Rheinland Industries Service GmbH Test Reports referred to above.
- The equipment shall be used only with approved type of accessories and associated apparatus.
- Each equipment shall be marked either by raised lettering cast integrally or by plate attached permanently to the main structure to indicate conspicuously:-
 - Name of the manufacturer
 - Name and number by which the equipment is identified.
 - Number & date of the test report of the DEKRA Testing and Certification GmbH / TUV Rheinland Industries Service GmbH applicable to the equipment.
 - Equipment reference number of this letter by which use of apparatus is approved.
 - Protection level.
- A certificate to the effect that the equipment has been manufactured strictly in accordance with the drawing referred to in the DEKRA Testing and Certification GmbH / TUV Rheinland Industries Service GmbH Test report and is identical with the one tested and certified at DEKRA Testing and Certification GmbH / TUV Rheinland Industries Service GmbH shall be furnished with each equipment.
- The customer shall be supplied with a copy of this letter, an extract of the conditions and maintenance schedule, if any, recommended by DEKRA Testing and Certification GmbH / TUV Rheinland Industries Service GmbH in their test reports and copy of instructions booklet detailing operation & maintenance of the equipment so as to maintain its Flame Proof characteristics.
- The After sales service and maintenance of subject equipment shall be looked after by your representative R. Stahl Pvt Ltd, Plot No. 5, Malrosapuram Road, Sengundram Industrial Area, Singaperumal koil Chengalpattu District, Tamil Nadu 603 204

Conditions of the Approval:-

The approval for above equipments is subject to validity of IECEx Quality Assessment Report No. DE/BVS/QAR10.0002.

This approval also covers the permissible variations as approved under the DEKRA Testing and Certification GmbH / TUV Rheinland Industries Service GmbH test reports referred above. This approval is liable to be cancelled if any of the conditions of the approval is violated or not complied with . The approval may also be amended or withdrawn at any time, if considered necessary in the interest of safety.

The field performance report from actual users/your customers of the subject equipment may please be collected and furnished to this office for verification and record on annual basis.
The Approval is Valid upto **31/12/2026**

Yours faithfully,

(A.B. Tamgadge)
