

SFP Barox AC-SFP-FXSME 100MB SM T Art. No. 249546

- SFP with 100 Mbps
- Single-mode version
- Versatile and interchangeable

MY R. STAHL

Why Barox?
Barox specifically tailors the features of its products to meet the high demands of video and security networks. This offers planners, installers and users many practical benefits.
The Small Form-factor Pluggable (SFP) is a small, standardised module for network connections. The device is designed as a connector for extremely fast network connections and can be used in various switches.

Technical Data

General	
Version	Small Form-factor Pluggables (SFP) FXSME
Description	SFP optical module for CCTV switch
Electrical Data	
Ethernet / Data	2x 100 MBit
Data cable	Single-mode 9/125 µm
Interface medium	2x SM = Single-mode
Distance	max. 30 km
Plug version FO	LC Duplex
Wavelength	1310 nm
Ambient Conditions	
Temperature range	-40 °C to +85 °C
Mechanical Data	
Weight	15 g
Weight	0.03 lb
