

F110 G6 16GB Barcode RFID Win11 Art. No. 319899

- Extra robust tablets for hazardous and industrial areas
- Windows or Android operating system
- with integrated RFID or barcode scanner as an option

MY R. STAHL MTABLETA

IMPROVE THE DOCUMENTATION OF YOUR WORK PROCESSES

Using pen and paper to document your system status and work processes is highly inefficient and error-prone. Mobile Worker concepts facilitate simple and efficient on-site data input. The data is saved to a central database where it can be accessed at any time. With digital documentation, you can quickly search for and analyse information, leading to a better tracking of tasks and results and the integration of data and media such as photos, videos, voice messages captured by the mobile workers.

Technical Data

General	
Version	Getac F110 G6 Tablet
Explosion Protection	
Application range	Non-Ex
Electrical Data	
Processor type	Intel Core i5-1135G7
Main memory	16 GB
Data memory	256 GB
Operating system	WIN11 Pro x64
Optional interface 1	Dual WiFi (802.11ax), BT 5.2
Optional interface 2	5 MP camera front, 8 MP rear
Addition 3/Option box	Barcode
USB interface	1 x USB 3.2 gen 2 type A
Audio interface	Line in/out
Display	
Display size in inches	11.60
Display size in cm	29.46
Display resolution	Full HD 1920 x 1080 pixels
Touchscreen	Capacitive
Touchscreen material	Glass
Backlight	LED technology
Ambient Conditions	
Ambient temperature	-29 – 63 °C
Mechanical Data	
Degree of protection (IP)	IP66

F110 G6 16GB Barcode RFID Win11 Art. No. 319899

Mechanical Data

Width	314 mm
Height	24.5 mm
Depth	207 mm
Weight	2 kg
