AS SAFE AS EVER – FASTER THAN EVER BEFORE

AVAILABLE AT SHORT NOTICE – THE R. STAHL CORE PROGRAM.
WE NOW OFFER SELECTED ARTICLES FOR TYPICAL APPLICATIONS
DIRECTLY FROM STOCK WITHIN 7 DAYS.

Whether conventional or advanced LED technology. R. STAHL now offers many products from all product families from its fast delivery warehouse. This enables R. STAHL to react quickly to all customer requirements and to make standard quantities available at short notice.

The articles of our core program “Lighting” support you in the fast and safe implementation of your time-critical projects.

- SHIPPING WITHIN 7 DAYS
- ALL STANDARD VARIANTS AVAILABLE
- WELL-PROVEN R. STAHL QUALITY

The prices are listed in Euros. All deliveries and services are based on our current “Delivery and Service Conditions 05/2019”. These become an integral part of each order agreement when an order is placed. They can be viewed at r-stahl.com/en/global/support/customer-service. The prices do not include VAT and are ex-works, excluding the packaging, which will be calculated at cost price. Modifications to prices, dimensions, weights, designs and availability are subject to change.

In case of large orders, we ask for prior clarification of the delivery time, in this case we reserve the right to make adjustments.

Minimum order value: For orders with a net order value < 200 Euro, we charge a minimum order value surcharge of 30 Euro net.

Cancellations: In case of order cancellation, we will charge you a handling fee of 50 Euro net.

Product return: Returns are only possible in case of items in stock in their original packaging within 6 months after delivery and after prior consultation. With freight-paid delivery and after approval of the goods, you will be credited 70% of the value of the goods.

The complete range of our products, system solutions and services can be found on our website at r-stahl.com.

HIGH-END LIGHTING – IN ONE WEEK AT YOUR SITE

Linear Luminaires

The linear luminaires offer the optimum transition from conventional technology with fluorescent lamps to LED technology. In complete interchangeability, R. STAHL offers both solutions for all mechanical sizes of a luminaire.

LED Tubular Light Fittings

With the LED tubular light fitting, R. STAHL offers a light fitting completely geared to the advantages of LEDs. Maximum LED performance is guaranteed in a very compact and extremely robust enclosure.

LED Universal Spotlights

The LED universal spotlight of R. STAHL offers a solution for many applications. Whether as ceiling-mounted lighting, pendant light fitting or floodlight: the luminaire is ideally suited thanks to different mounting materials, reflectors and luminaire covers.

LED Escape Route Signs

For the first time, an escape route sign luminaire with suspended glass is available for explosion-protected areas. R. STAHL also offers this compact luminaire as an emergency luminaire. Various secondary optics extend the application range for the user.
